## Coordinator Guidelines

**Monday thru Saturday 7:30 am to 7:30 pm**

First and foremost, **THANK YOU** for volunteering to coordinate the **40 DAYS FOR LIFE VIGIL** with your church and/or organization.

### **GOALS:**

**AWARENESS** – we need to let the congregation know what the event is trying to accomplish. Here are some ways we feel would get the message to as many people as possible:

- We need to get the pastor support and involvement
- We need the head of each ministry to be supportive and involved
- We need to be in the bulletins. We need to have posters up in high visibility places
- We need to be mentioned in as many announcements as possible
- We need Bible study and Sunday School leaders to be involved and supportive
- We need volunteers to distribute fliers after Sunday services

### **VOLUNTEERS DURING THE VIGIL**

- Each church will be asked to have at least 2 people present at the clinic at all times. More than 2 would be great – but 2 people at a time are essential for safety purposes.
- We can remind those signed up via email or phone calls

**INVOLVEMENT:** Ideally, we could have each church sponsor at LEAST one 12 hr time period – Each ministry could sponsor an hour – so we could have the Singles Ministry Sponsor one hour, and the Youth Group sponsor another hour, etc...

### **SUPPORT**

We will provide you with any material you need. You will also be able to contact one of the core team members if you have any questions.

We already have sign-up sheets – let us know if you don't have one yet.

We will have fliers and wrist bands to help raise awareness

We will help you in any way possible – just let us know how we can help you be successful
