

Petition for *Choose Life* License Plates

We the Citizens, Voters, and Taxpayers of Texas urge the Texas Legislature to pass a bill to create *Choose Life* license plates (in addition to the 130 current specialty plates such as *Girl Scouts*, *Animal Friendly*, and *Read to Succeed*). I further intend to purchase the *Choose Life* license plates for my own vehicle knowing that the proceeds from the additional \$30 fee will go to promoting compassionate alternatives to abortion including adoption.
