### **Lou Holtz Featured Speaker at 2023 Bishop's Pro-Life Dinner**

The Catholic Pro-Life Community is proud to announce that legendary Notre Dame football coach Lou Holtz, along with Christian Recording artist Curtis Stephan, will highlight the entertainment for the 30<sup>th</sup> Annual Bishop's Pro-Life Dinner on March 25, 2023.

"Coach Holtz is one of the most dynamic speakers in America," stated GERALYN Kaminsky, Executive Director of the Catholic Pro-Life Community, who is hosting the event. "He brings a passionate, motivational approach to any audience to which he speaks. So, in this case he will surely resonate, invigorate, and inspire our guests to work towards building a culture of life."

Lou Holtz has established himself as one of the most successful college football coaches of all time and is the only coach in the history of college football to: take 6 different teams to a bowl game, win 5 bowl games with different teams, and have 4 different college teams ranked in the final Top 20 poll. As a speaker, he has built a reputation as a motivator who speaks on overcoming seemingly impossible challenges by setting goals and working to achieve them.

Curtis Stephan, who is director of music and liturgy for St. Ann Catholic Church in Coppell, has leapfrogged from promising young songwriter to one of the most productive forces in liturgical music today.
