What is Teach 4 Life

Teach 4 Life is a seminar for educators - teachers, youth ministers, parish catechetical leaders, clergy, counselors, administrators, parents, and anyone else interested in learning more about how to educate our youth on life issues. The conference is sponsored by the Catholic Pro-Life Community (CPLC), who serves as the Respect Life Ministry of the Diocese of Dallas, and Theology of the Body Evangelization Team (TOBET)

What Does It Mean to be Made for Freedom?

The need for freedom is imprinted on our human nature. It runs deeper than simply being able to do what we want. It directs us toward choosing the truth. When we freely choose the truth, it perfects our exercise of freedom and our ability to choose life as God offers. Society would have our youth believe that truth is whatever a person wants it to be. As a result, teens and young adults are being ensnared in a cultural web that turns them away from God's truth and promotes personal freedom above all else. At this year's conference, we will address the hard issues that our youth are facing in today's culture and offer faith-filled truth to help them live and thrive in authentic freedom.
