Now Thank We All Our God: A Celebration of Life

**A bilingual Mass on the Feast of the Queenship of Mary
Bishop Edward J. Burns, Primary Celebrant
Auxiliary Bishop Greg Kelly, Concelebrant**

As our Country moves into a new chapter of addressing the sacredness of life from the moment of conception, we will gather in thanksgiving for the gift of life and pray for the souls of those who have died because of abortion.

We will ask God's grace upon us as we assist women through difficult pregnancies and bring their child into a world that celebrates their presence, recognizing them as a gift of God created in His image.

Those wishing to make an Act of Consecration to Jesus through Mary on the Feast of her Queenship on August 22 should begin the 33 days of prayer on July 20, using the St. Louis de Montfort Consecration or *33 Days to Morning Glory* by Fr. Michael Gaitley.
